Occasional traffic delays at Kōloa Road Roundabout scheduled from Sept. 26 to Sept. 30

KŌLOA – The Department of Public Works and Goodfellow Bros. LLC., are announcing occasional traffic delays at the Kōloa Road and Ala Kalanikaumaka intersection to perform work on the Kōloa Road Roundabout central island. The temporary closures are scheduled from September 26 to September 30 from 7:30 a.m. to 3:30 p.m., weather permitting.

The scope of work consists of the construction and installation of landscaping, a circular retaining wall, and a sculpture.

As a reminder, large trucks and trailers and eastbound motorists from the West Side, Kalāheo, or Lāwa'i are recommended to take Kaunualii Highway to Maluhia Road to access Kōloa and Po'ipū. Ōma'o Road is a narrow residential road that is not intended to be used as a detour route and not designed for high volumes of traffic or truck traffic. The speed limit is 25 mph for the entire length of Ōma'o Road. Through trucks are prohibited on Ōma'o Road for the duration of this project.

Construction on the Kōloa Road Roundabout central island is projected to be complete by the end of October 2022.

Dates and times are subject to change depending on weather and other factors.

If you have any questions or concerns, please contact Tristan Gonzales at 808-462-8057 or Ryan Moura at 808-298-2431.
